RE: Financial and Personal/Relative Disclosure Statements

Each year the School Ethics Commission requires all school officials to file financial and personal/relative disclosure statements pursuant to N.J.S.A. 18A:12-25 and 26 of the School Ethics Act. The Commission has provided your county office with deadlines that it is asking you to adhere to in order to assist with the process of collecting disclosure statements. Along with this memo is a sample reminder letter, a Board Secretary Report form, and a Certification by Board Secretary form. You will note that the Board Secretary Report specifically requires the home addresses of school officials so we can communicate directly with them. The Commission appreciates your assistance in accomplishing this task.
